A NEW BEGINNING

The school year 1987-88 was a "New Beginning" — a new school, new seniors, new ideas, and new perspectives. We ended some old things but started some new things. Each new year in the future will continue to be as this year has been . . .

A New Beginning.

Student Life In The New School

Roxanne looks as though she's dreaming — probably about Wilson!

Woops! James forgot again to take paper to class.

Barbara is all smiles, and she should be! It's her birthday!

Oh, look at that! Amy has found something of interest.

Weldon is trying to show us something in that picture! What is it, Weldon?

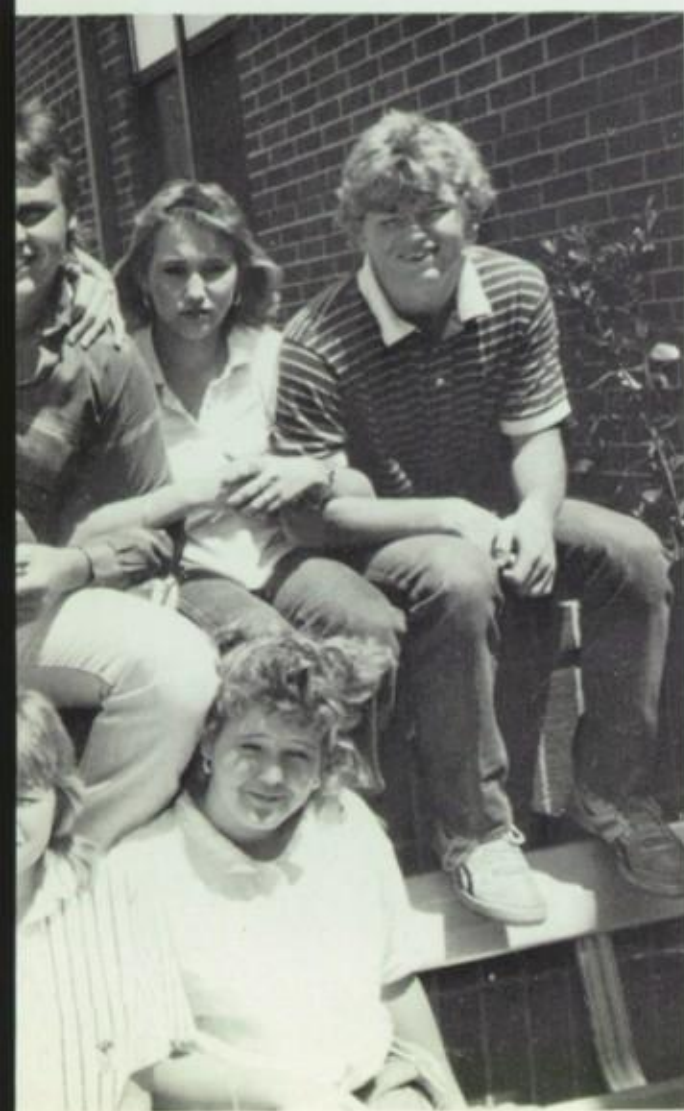

Aren't they sweet? Good friends are nice to have.

Golly, Dianah, Jennifer, Traca and Chad! It must be funny! Joe doesn't think so, and Daryle is taking a noon nap.

Lisa and Olga want in the picture, too.

If only that sun wasn't so bright! We could smile a lot better for you.

Gary and Donald wait patiently for the door to be unlocked to Mrs. Lammert's room. They're in no hurry to start work on English!

James and Jerimy want to show their spirit by posing with Becki, the school mascot.

Kathy and Carolina have had nothing but trouble with these new lockers all year!

It must be Donna's birthday! Rachelle, Keith, Melissa, and Stacey want to share in the fun.

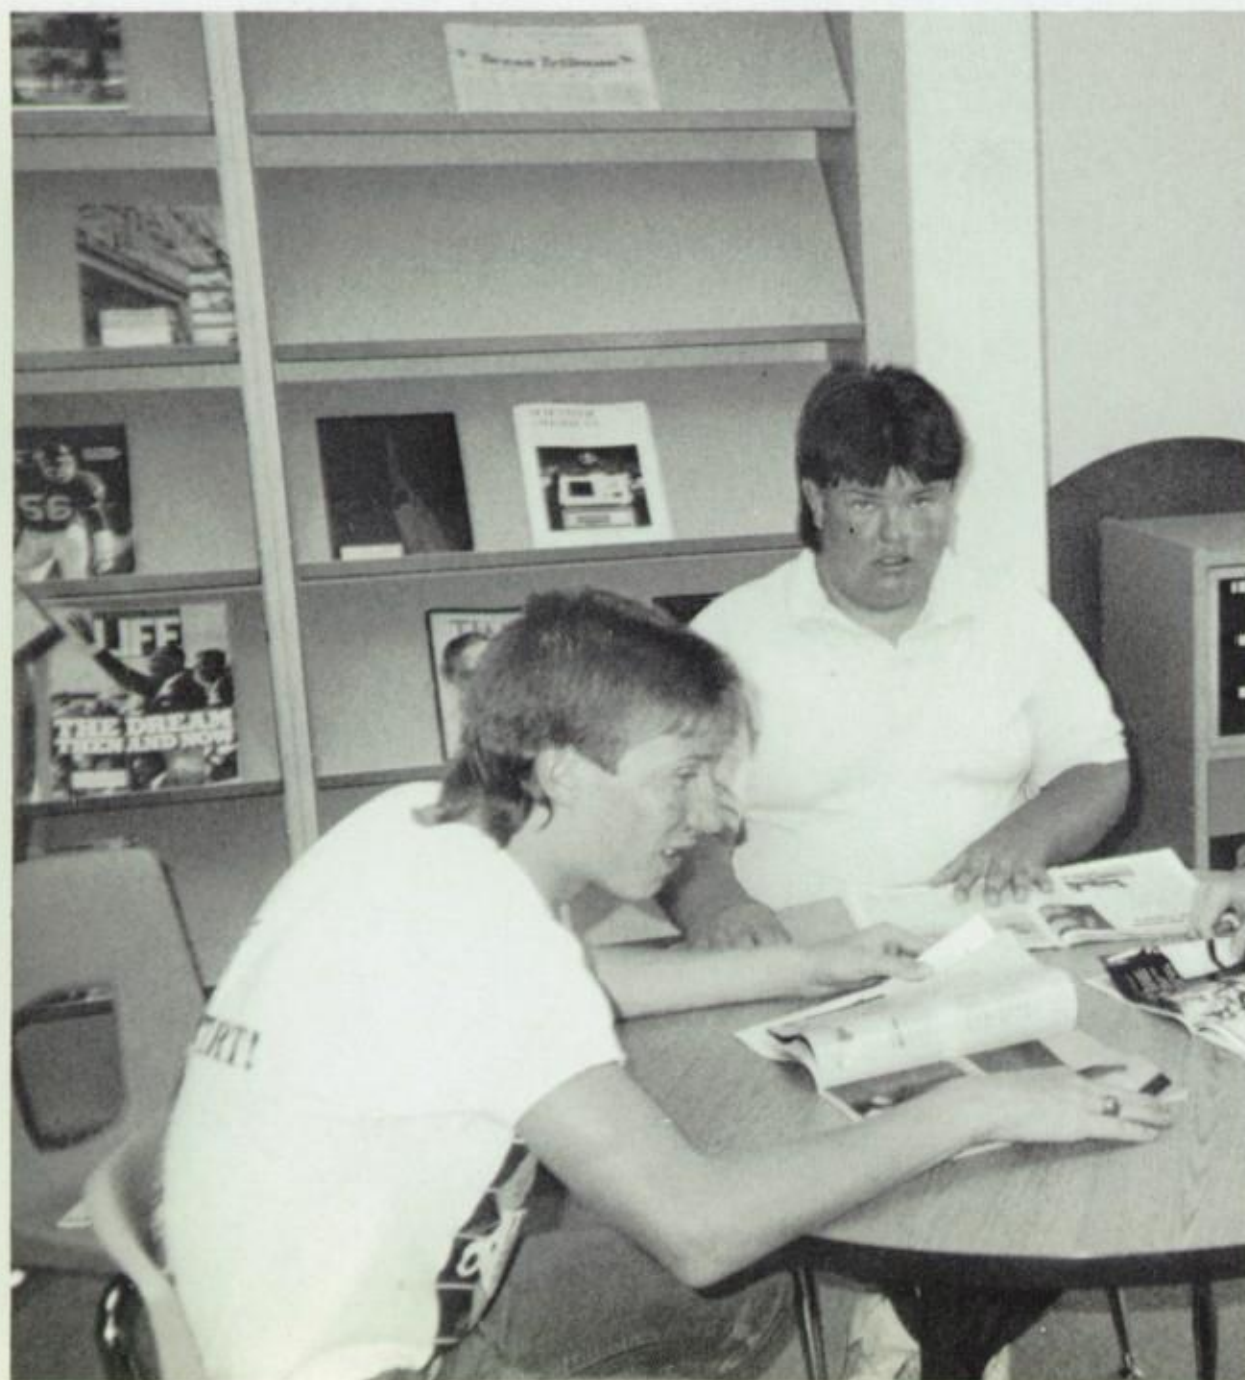

The seniors are all dressed up for something special.

Come on, Lisa and Regina. Where's your spirit for this pep rally?

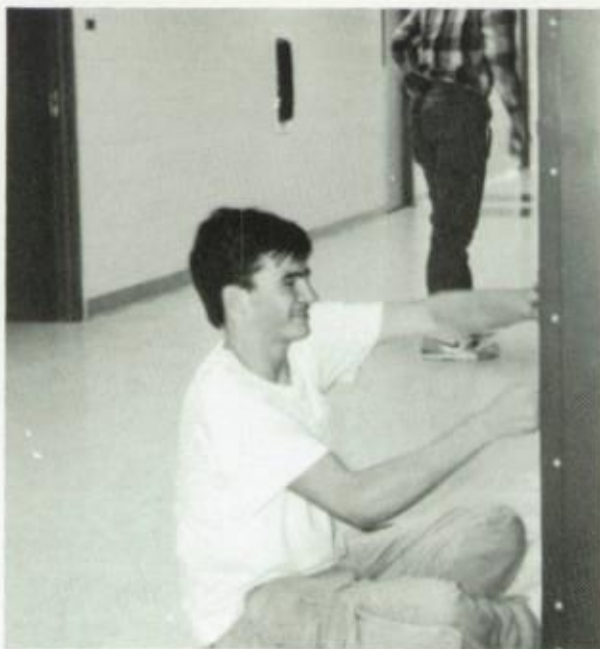

Jerry, Pati, and Michael wait in line for senior portraits.

Penny is all dressed up for her part in the senior play.

Come on, Chad and Keith! Get to work on that research for your junior English theme.

Lonnie's locker always needs cleaning!

Lisa is getting a new hairdo from J.J.

Red roses for Lori's birthday!

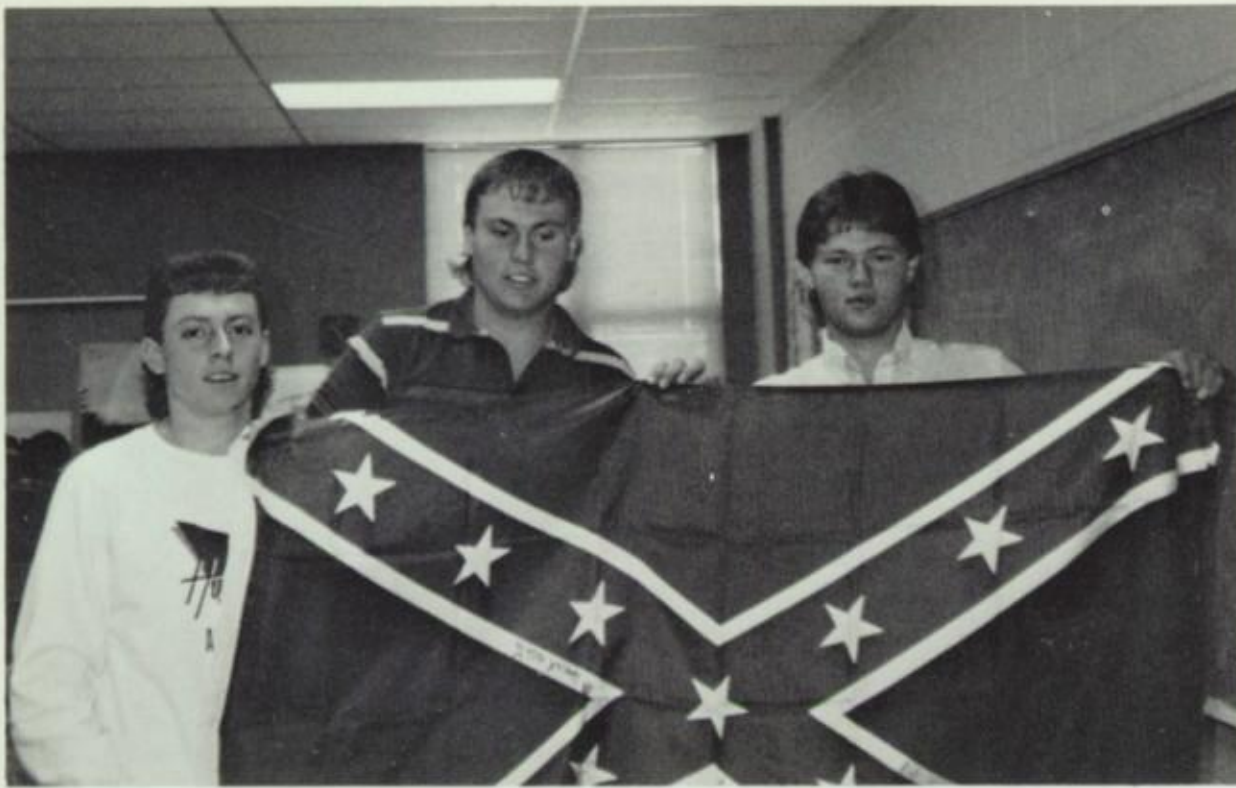

The Pirate band takes a break at half-time at one of the first games of the year.

FHA and FFA spent the day at the State Fair of Texas.

No PDA, Jerimy and Stacy!

Seniors Wilson, Daryle, and Keith show their flag to emphasize their spirit — to rebelize.

Couples — Donna and Doug, Ronnie and Christi

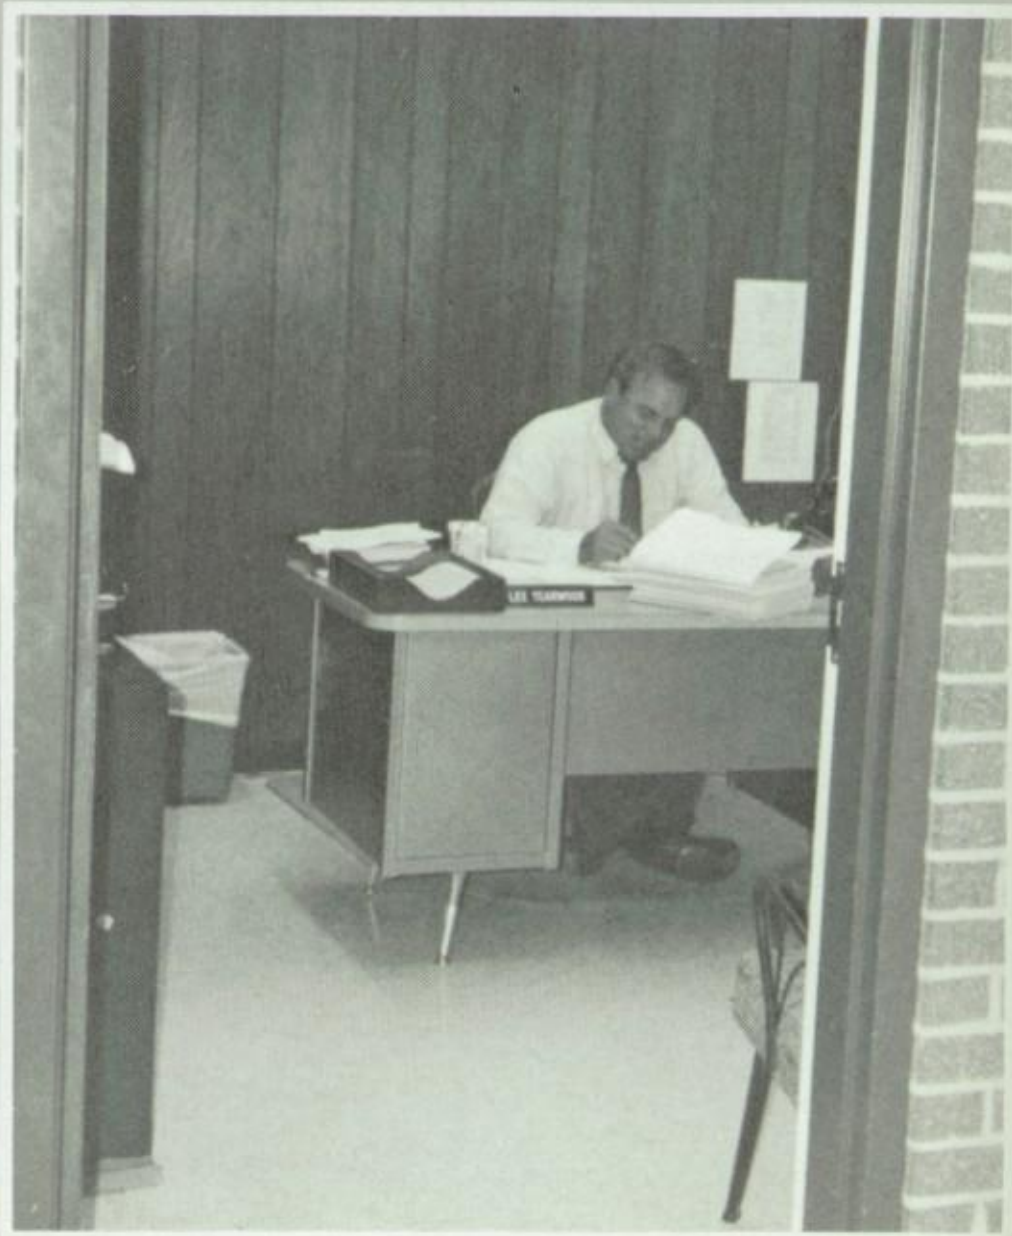

Nearly everyone had trouble learning to open the new lockers with combinations.

Come on Stacey! Let Keith do his work!

The Crawford School Board again had a busy year with all that was involved in finishing the new school.

Open House was held the Sunday before school started, and everyone involved with the school was excited and rushed in trying to get moved and settled.

After many years of service to the

school, Ray Westerfeld and Van Massirer retired from the board in the spring. They were honored at graduation.

School board elections were held in the spring. New members coming on the board were Ed Jones and Marvin Garza. Jim Meyer will serve as school board president for the 1988-89 school year.

Academics

At Crawford students have an opportunity to be involved in a variety of activities. Crawford has sports, band, speech and drama, Ag, Homemaking, UIL contests, and other activities where students can find their place.

With all these activities going on throughout the year, number one on the minds of the students, teachers, administrators, parents, and everyone involved with the school must be — ACADEMICS.

Students must give their best to their subjects. At Crawford, students find teachers who are willing to give their best and their time in order that students might learn and prepare for the future.

Jamey Boswell spent lots of time doing research in order to get a good grade on his junior English paper.

Olga Mendez and Estelle Villa are learning to cook in Mrs. Badgett's freshman Homemaking class.

James Connell (our French artist in the hat), Kevin Smith, and Sandra Thompson work on a painting in Art.

Regina Jones finds humor in the class experiment in Physics.

Mrs. Walker spends extra time with Lonnie Hayes in order that he might understand the problems in Algebra II.

The seniors will remember Miss Scott's English IV class the first few weeks when they only had chairs — no desks.

Olga Rengifo, our exchange student from Colombia, learned much this year — including the processing of English words in the Word Processing class.

Amy Cook worked hard in Mrs. Walker's new Computer Math class in order to learn how to work the problems.

When the students had an opportunity to choose a project in Mrs. Damon's Art class, Gary Meyer chose to do a carving.

Our band is awesome! Despite some adverse beginnings, our band showed the rebelism that characterized the entire year.

We started out by scoring the only Division One rating at the District Marching Contest and were regional bound, but the "evil wizard" stepped in. Due to an oversight in the eligibility of the "marching orchestra," we were not able to advance onto our state championship.

Later in the year we practiced up and went to Mexia to participate in the UIL Concert and Sight Reading Contest.

At the UIL Concert and Sight Reading Contest in Mexia, we scored a Division One rating in Concert but had to settle for a Two in sight reading.

Despite our set-backs, the year has been an over-all success. As band members we would like to express our appreciation to Ken Harris and all the other people who helped us down the road to our success.

From the point of view of a senior, cheerleading camp was totally awesome! We shared so much and became so close. We achieved a lot, but it was also sad for the seniors because this was our last year to be a cheerleader.

Football season was even better. Our season revolved around the one word that meant so much: Rebelize! The fans really had a lot of spirit, and it gave our team the courage to do their very best. We had a good year because we believed in each other.

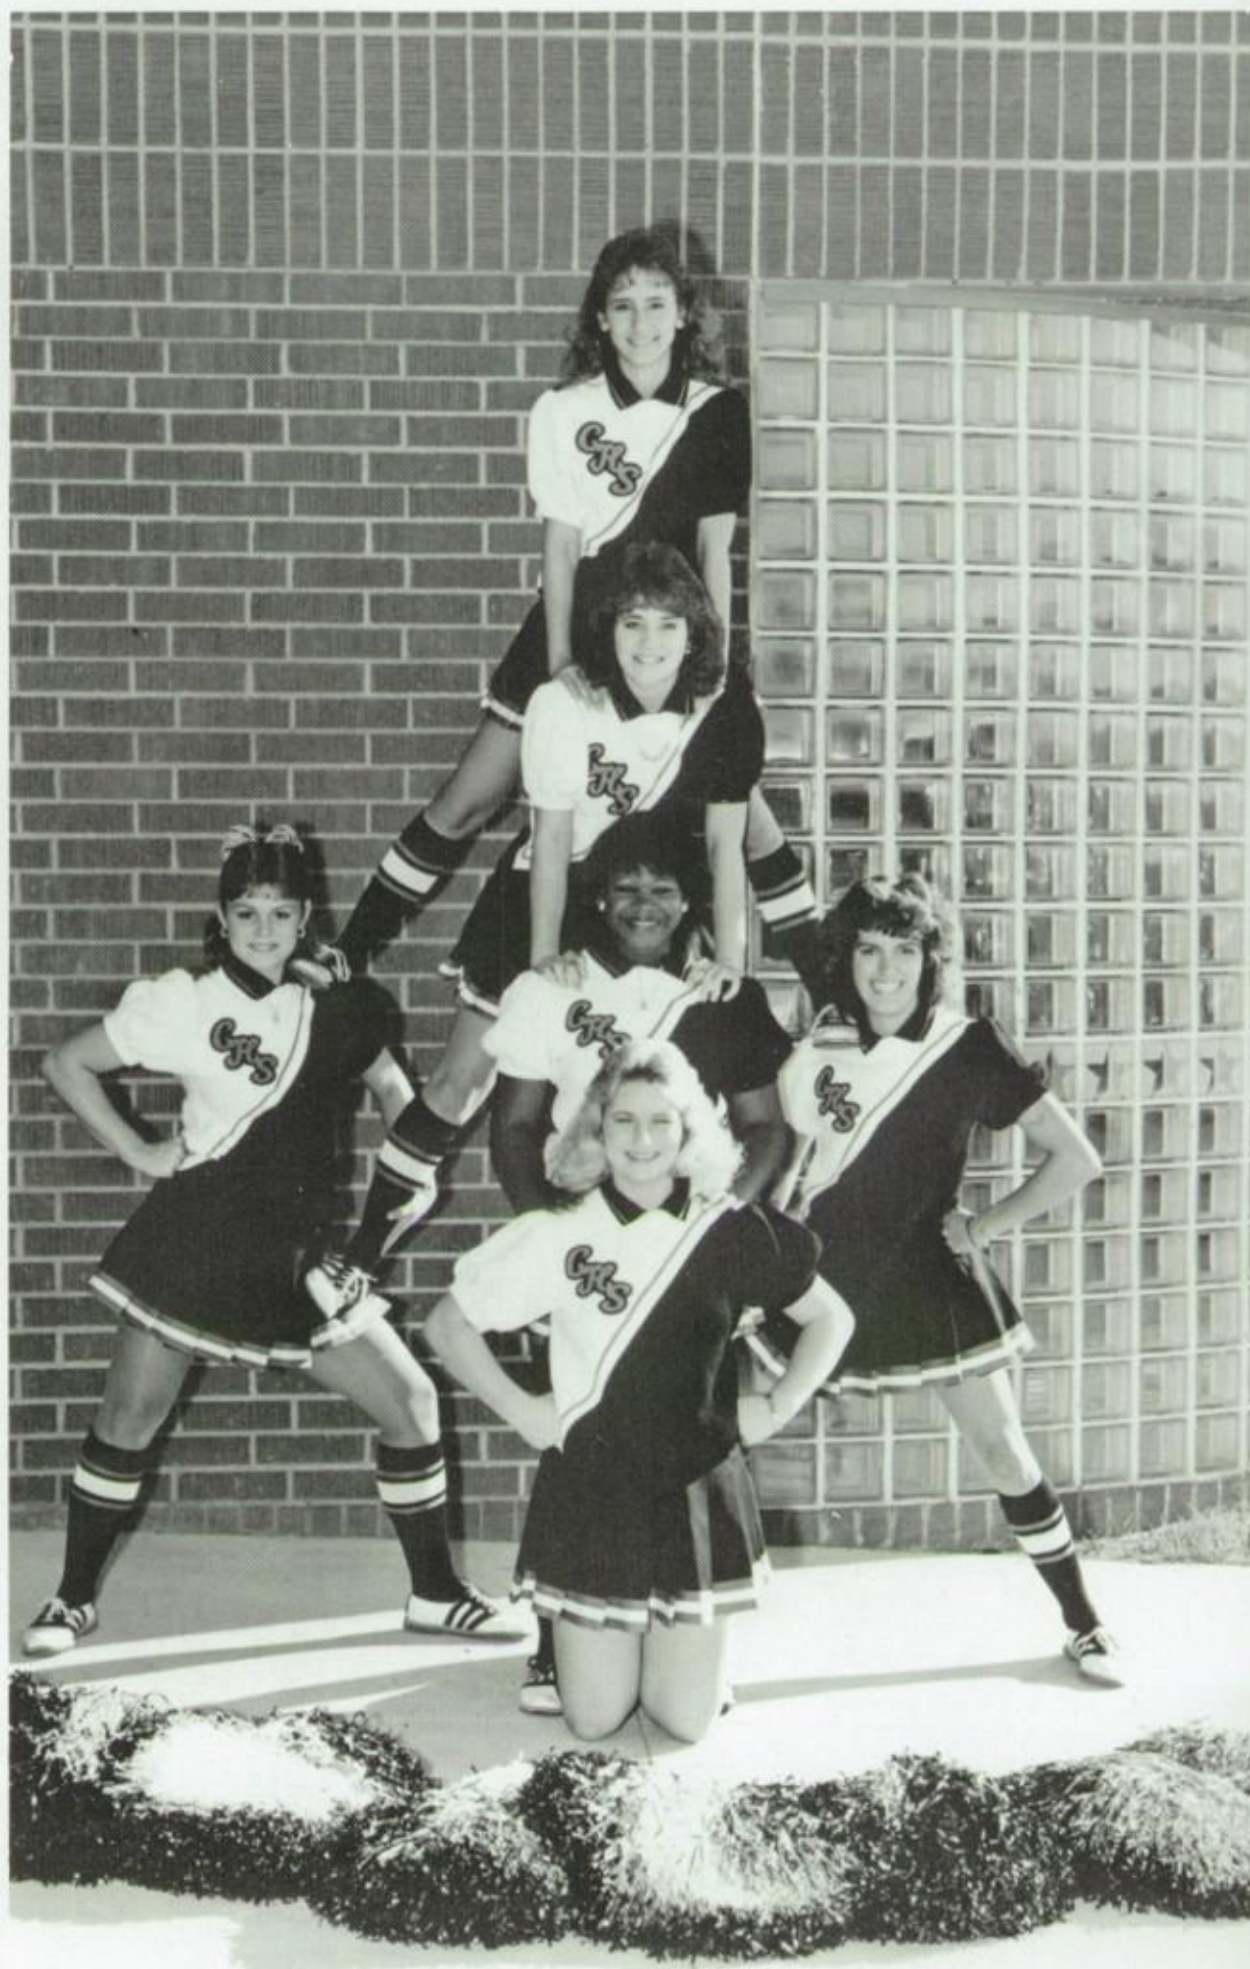

A really good pyramid!

The Crawford majorettes had a wonderful season. It began with majorette camp in Abilene at Hardin-Simmons University. The majorettes were noted for their outstanding performance and was allowed to twirl an exhibition; however, their work did not end here. They worked hard all summer long and performed dazzling routines during the games. The majorettes also entered a twirling contest at Baylor and brought home a first division rating. The majorettes had a wonderful, exciting year!

Amy, Leslie, Christy, and Laura worked the "garage sale" to make money to buy paints.

Crawford's first year of seventh and eighth grade cheerleaders was a proud success. The squad had lots of fun and learned a lot about working together. They "made memories" while cheering on the football team to a district win. They had "spirit".

After a day of "camp", leaders Donna and Teresa presented the squad with matching shirts.

The Crawford FFA was very active in 1987-88. They participated in many more events than usual. They showed from August through March. They participated in numerous shows and leadership activities such as district and area contests, conventions, and talent team contest. They will attend the state FFA convention in San Antonio during the summer. The FFA fielded three judging teams that traveled to A & M, TSU, and area competition. They had a local livestock show, fund raisers, and a banquet to honor members and guests. They had a very successful year with lots of hard work, dedication, and leadership from some fine young people. The FFA is sponsored by Steve Anderson.

One of the annual events for the FFA and the FHA is the trip to the State Fair in the fall.

"Pirates Don't Quit!"

The Pirate Varsity Football Team worked hard, practiced hard, and performed with all of their ability. This was a long season for the Pirates. Some of their losses were only a matter of two or three points. This was a very competitive district. No matter the circumstances, the Pirates never gave up — "Pirates don't quit!" We are proud of each player. Thanks to the Seniors who played, and good luck to those who will be coming back.

Jr. High

The Crawford Junior High football team captured a district championship in 1987 while romping through a district schedule with a 6-1 record and outscoring opponents 230-59. Highlights of the season included five shutouts by the defense and a flawless 30-0 victory over a previously unbeaten, unscored-on Valley Mills team. All of the individual accomplishments are too numerous to list, but a few were truly outstanding. On offense Jason Isbell rushed for over 1,300 yards. Mason Miller had over 1,000 rushing and receiving. Rufino Villa rushed and threw for over 1,000 yards while completing 52% of his passes. Of course, none of these statistics could have been achieved without some outstanding line play by the Pirates. The Pirates may have had their sweetest moment as they ended their season with a 44-20 thrashing of the Meridian Yellowjackets, avenging the Pirates' only loss of 1986. It was a great year, and hopefully, a sign of things to come.

Homecoming — 1987

Homecoming '87 began on Thursday when the seniors began working on the bonfire. They worked many long and hard hours. As time for the bonfire rolled around, the cheerleaders, majorettes, bands, Peppers, and Crawford Pirate fans showed their spirit as the fire was lit and the bonfire began to burn. As the night came to an end, the mighty Crawford Pirates were ready to perform the next night. On Friday night, September 30, the Pirates kicked off for an exciting game against Chilton.

During half-time entertainment, Donna Scott was crowned football sweetheart.

Homecoming was a time for visiting with classmates and friends, and the events were enjoyable for all. It was a memorable occasion.

VAR-SITY GIRLS: (Front) Lori Weber, Lisa Wendt (Back) Melissa Martinka, Rachelle Meyer, Rachel Nelson, Coach Lee Yearwood, Lisa Thompson, Sandy Holmes, Donna Scott, Manager Melannie Garza

The varsity girls had a very successful season. The girls were in three tournaments. They won first place in the Bruceville-Eddy tournament and the Crawford tournament. The girls tied for first in district with Valley Mills, and then went on to win bi-district. They then played Logo Vista in Area. The girls worked hard and had a very good year.

All five starters made the all-district team. Donna Scott, Lori Weber, and Lisa Wendt made the first team, and Sandy Holmes and Rachelle Meyer made the second team. Lisa Wendt and Lori Weber were both selected to the Waco Tribune Herald's Super Centex Basketball Team.

Seniors Ronnie Blenden, Jerry Davis, and Michael Hoover made all-district.

The varsity boys basketball team finished the season with an 8-17 record overall and 2-8 district record. For district play, the leading rebounder and scorer was post Ronnie Blenden who averaged 16.3 points/game and 9.7 rebounds/game. The next leading rebounder and scorer was Jerry Davis who had 5.9 rebounds/game and 9.9 points/game. Josh Jones had the best field goal percentage

of 55.6%, and Kelly Wigley had next highest field goal percentage of 52.5%. Jerry Davis had the best free throw percentage of 78.9%, and next was Josh Jones with 76.9%. Jerry Davis led the team in steals and assists. Several players made all-tournament teams during the season. Jerry Davis made the all-tournament team at Bruceville-Eddy Tournament, Mike Hoover and Ronnie Blenden made all-tournament at the Crawford Tournament, and Jerry Davis was all tournament at the Clifton Tournament. Ronnie Blenden was selected to the second team all-district team, and Jerry Davis and Mike Hoover were honorable mention all-district.

J.V. Boys: District Champs

Jr. Varsity

The Crawford Junior Varsity Boys Basketball team ended district play with a 9-4. In district play, the Pirate JV's averaged 45 points/game and held opponents to 26 points/game. During district play, the leading scorer was Dusty Lynch who average 13 points/game. Other averages for district play were Lonnie Hayes with 11.6, Chad Miller with 7.2, Nathan Sanchez 6.8, Robert Bennett 4.6, and Russell Gauer 1.6.

J.V. Girls: Winners

JUNIOR VARSITY GIRLS: (Front) Heather Eissler, Tammy Crampton (Back) Christi Lynch, Stacy Gilchrest, Coach Lee Yearwood, Jenni Grable, Roxanne Golson

The Crawford Junior Varsity Girls went undefeated, winning their district with a 5-0 record. They attended one tournament and brought home a second-place trophy.

Several of these girls can look forward to playing on the varsity and doing very well.

Coach Yearwood was presented a plaque by the varsity girls during the award program.

After last year's record of zero wins, the Crawford Jr. High boys made quite a turn around this year. They tied for third place with Riesel in regulation play. They defeated Bosqueville, Chilton, and Axtell to win first place in the district tournament. District rules state that the two teams (#1 in regulation play and #1 in district tournament) are co-champs. The boys had a good season and played with an aggressiveness that was necessary to win.

Although the girls did not have a win-loss record, the year was a success. They had good leadership from three eighth graders with good experience. Most of the team consisted of seventh graders who had never played before. The team started with the basics and became better with each game. They developed a firm foundation to prepare them for the high school years. The saying says, "You only fail when you fail to try." These girls never failed.

Coach Donna Lammert

The team won consolation at the Oglesby Tournament.

The CHS boys track team finished third at the district meet for Crawford's strongest track finish in over a decade. The Pirates were runner-up at the Waco Christian Warrior Relays by only a couple of points. James Sneed, Wilson Collins, and Scott Snyder qualified as seniors for the Regional meet at Brenham while Joe Bullard and Stephen Neill qualified as juniors. The Pirates' 400m relay set a school record at 44.88 while Sneed set records in the 100m and 200m runs — 10.90 and 22.88 respectively. The Pirates who went to Regional all got into the finals and placed 6th at the Regional Meet.

The JH Boys Track Team entered four meets this year and won two of them while finishing second in the other two. Many individual accomplishments and records were achieved, but the year was highlighted by an undefeated 1600 meter relay team which lowered its time each meet and ran a record 3:56.94 at the district meet. CHS should have high hopes for a bright future due to the sportsmanship demonstrated by these young men.

This year the Junior High Girls Track Team showed real enthusiasm for the sport. The team was made up of three eighth graders and nine seventh graders. The seventh graders won second at the Salado track meet placing high in several events. In the other track meets, they competed mostly against eighth graders. Even though their scores were usually at the bottom, they do not reflect their determination, hard work, and desire to win. This year we had entries in events such as the high jump and 2-mile run. We have never had girls to participate in these events in prior years. By their desire to do the best at all times for their school, they followed the advice they always heard, "Be a Hero"!

The junior high teams made their "camp" to get ready for the long track meet.

FIRST TEAM: Keith Meyer, Daryle Bullard, Joe Bullard, Gary Meyer, Clint Smith, Coach Billy Parmer

For the third year in a row the Crawford High School golf team won the district tournament played at Bosque Valley Golf Course in Meridian. Joe Bullard was 1st medalist while Gary Meyer (5th), Clint Smith (9th), and Keith Meyer (10th) also finished in the top ten. Daryle Bullard was the fifth member of the 1st team.

Members of the 2nd team were Josh Jones, John Dutschmann, Grady Hilliard, Kelly Wigley, and Ronnie Blenden. Wilson Collins and Nathan Sanchez were entered as medalists.

The team winning district competed in the Regional tournament in Brenham. They finished 6th out of 16.

The Crawford High School tennis team won second place at the district tournament held at the Sul Ross Tennis Center in Waco. Jerry Davis won second place in singles and advanced to the regional tournament in Brenham. Scott Snyder won third place in singles and was an alternate to the regional tournament. Mark Bray and Russell Gauer won fourth in doubles.

Jerry Davis
District Winner

For the second time in a row, Jerry Davis qualified for the regional tennis tournament by placing second in the district tournament.

The 1988 Crawford Pirate baseball team finished the regular season with a 12-6 season record and an 8-2 district record. This resulted in a district 25-A championship and their third play-off birth in four years.

In addition, the Pirates hosted their first tournament on the new field and defeated Bosqueville in the finals of that tourney to win first place. The tournament was highlighted by a five-hour marathon game with Waco Christian in the first round which resulted in a Pirate victory to the tune of 30-20 in ten innings. The game ended at 12:30 a.m. — probably a record for

time spent on the diamond by any Pirate team in history.

After completing district play, the team began their play-off games. They played three play-off games before advancing to state. Their third play-off game was against Burton and was played in Waco on Ferrel Field at Baylor. The score was a victorious and exciting 3-2. The Pirates then advanced to state play. They played the Apple Springs Eagles in Austin in the Class A state semi-finals. They were defeated 10-7, but they never gave up. They played their very best. The Pirates had a great season and worked very hard. They

were a determined team. They were determined to go as far as they could. They represented their school and their community well. Everyone is proud of Coach Walker, Coach Bruce, and the team.

Crawford Pirates selected for the 25-A All District Baseball Team were Jerimy Williams, Joe Bullard, Stephen Neill, Randy Smith, Mark Wendt, and James Sneed. Coach Walker shared Coach of the Year honors with Riesel's coach.

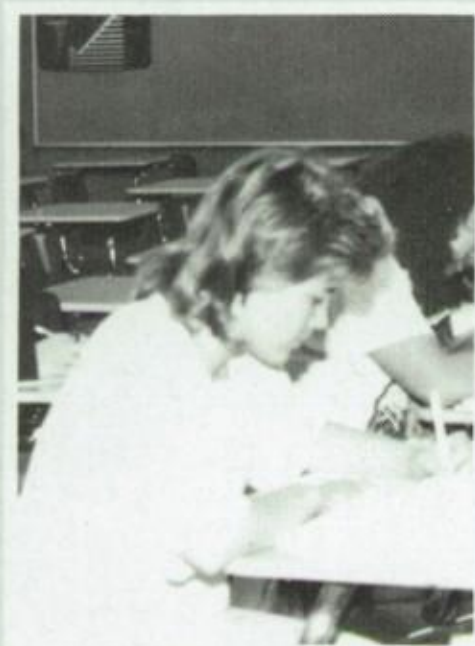

Gary Walker Selected Super Centex Coach

Following the Pirate Baseball Team's trip to the state tournament, Coach Gary Walker was honored by being named the 1988 Waco Tribune-Herald Super Centex Baseball Coach of the Year. No one could be more deserving of this honor because of the hard work and dedication Coach Walker has given to our school and to his job as baseball coach.

Coach Walker was ably assisted by Ronnie Bruce in coaching the team. Not only did he give his time to all the practices and games, he gave his support and encouragement at all times.

learning to divide. They have become quite good at story writing. In social studies, they studied about their community and built models of Crawford in the 1800's and the present-day community of Crawford. Then they took a trip to Waco to visit the Youth Cultural Arts Center and Strecker Museum where they learned other interesting facts about the surrounding communities.

The biggest challenge for third grade each year is preparing for the TEAMS test, and the class was very serious about doing their best. We are confident that they did just "that". Now they are preparing for the achievement test and summer vacation. It has been a good year!

There are 17 students enrolled in third grade (8 girls and 9 boys). They have really been busy all year. We spent a few weeks reviewing and then went on to learn new things. They have learned to multiply and are now

Fifth

The fifth grade class had a busy year academically with TEAMS, achievement tests, and their regular class-work. They enjoyed working on the Science Fair and participating in the Renaissance Fair. Several students were in UIL. The class kept a personal journal. At first, they were hesitant but soon learned to enjoy expressing their feelings without fear of anyone else reading them.

Field trips for the year included: the Symphony, the Airport, the Browning Library, and Franklin Limestone Products.

The freshmen were a little scared at the first of the year because of a new school and place and just because of being freshmen. After awhile, they started feeling accepted when they got into such activities as football, FFA, FHA, and band. It felt pretty cool that they were finally old enough to be in those kinds of things. They had some rough times during the year, but it turned out well. They wouldn't want to go through it again!

The 1987-88 Junior Class spent a lot of their time this year raising money for the Jr.-Sr. Prom. They had cake raffles and a raffle for two \$15 gift certificates at Red Lobster. They also had bake sales, a spaghetti dinner, and a candy grab box for Halloween. The juniors suffered through the TEAMS exit level test. Some juniors took a PSAT test to prepare them for the real SAT. After the juniors finished their money-making projects, they decided on a setting, colors, and glasses for the Prom. The Prom was a success.

OUR VISITOR FROM COLOMBIA

Every person who arrives in a totally different country has expectations. Now, my expectations are behind me, and I am feeling sad because I am leaving.

I appreciate everything that has been done for me. I will miss everyone.

Before I came to Texas, I was anxious to know my new family, new school, new teachers, and new friends. I could think of nothing else until I saw myself sitting in the airplane, destination Texas.

Perhaps that much thinking gave me a headache, and I was very nervous when I went through the airport's door and said, "Hello, America." Suddenly my headache turned into a feeling of happiness and adventure. It was exciting to see so many smiling faces, all smiling at me. I felt like home.

Now this experience is ending; what else can I say? How can I say it? I can only say . . . Thank you, family. Thank you, friends. Thank you, teachers. Thank you, Crawford. Thank you, America.

Nathan and Rachel seem to be enjoying the entertainment for the royal court.

The second and third grades performed the chicken dance as part of the entertainment for the royal court.

Mario and Renau Rodriguez sang "El Rancho Grande" and gave an impressive performance.

The "Hokey Pokey" was performed by Kindergarten and first grade. Stacie Westerfeld and Bethani Martin perform from Mrs. Schampers' kindergarten class.

The elementary students dressed western and sang Texas songs. The audience enjoyed the program.
